Approved by	Academic Council
Date of Approval	16-Feb-2019
Contact	ORIC Office (021-35862937-2366)

INTRODUCTION:

Ziauddin University fosters an academic environment which enables and inspires the faculty to acquire high credentials and promote their achievement at national and international forums. This policy will outline the criteria that must be met in order to qualify for honoraria for publications.

PURPOSE:

1. It is the University's privilege to promote learning environment, research culture and to facilitate University's vision at National/International forum for workshops & Conferences. The University also motivates the faculty to publish their original work in internationally recognized journals and reward capable employees who have the potential to grow within the organization.
2. The budget allocated of this purpose is Rs 3.0 million.
3. All colleges & Faculties of Ziauddin University will be facilitated by this budget.

SCOPE:

This policy is applicable to all colleges & Faculties of Ziauddin University.

RESPONSIBILITIES:

Core committee which comprises of, Director Research, Director ORIC, Dean FHS and a QEC member recommend the case to the Academic Council for approval.

POLICY STATEMENT:

Ziauddin University recognizes the importance of research in academics. To develop research culture in ZU the policy is formed to provide financial assistance to faculty members to support them in conducting high impact research.
